

Workshop on e-Uparjan 2014-15

Ashoknagar 03rd January 2014

Like Previous years, this time also Madhya Pradesh State Government decided to continue Wheat Procurement through NIC's e-Uparjan system. In that context, farmers' registration module has been released. In this module, the farmers' registration would be possible at society level. The software has been installed and configured in all societies by NIC Ashoknagar team.

For smooth and effective implementation of the project in the Ashok Nagar district, NIC Ashok Nagar organized a one-day workshop on 03rd January 2014. In this workshop, all 39 cooperative society managers with data entry operators, runners and officers of food and civil supplies, cooperative bank, NAN and MARKFED with their subordinates participated whereas Mr. S. K. Jain and Mr. Girish Anwekar from NIC Ashoknagar were the faculty.

District Informatics Officer Mr. S. K. Jain explained the technical points and features of the project. He illustrated the flow of data and suggested precautions for the accuracy of data. After that the MIS exhibited on the LCD projector and all menu items were explained one by one to participants, also shown some examples of real data entry and displayed the reports.

In the last, the participants raised their technical, procedural, and administrative doubts, which were clarified by NIC team and food and civil supplies officials.
