

Workshop on e-Uparjan 2015-16

Ashoknagar 15 January 2015

Like Previous years, this time also Wheat Procurement from farmers in Madhya Pradesh will be continue through NIC's e-Uparjan system. In this context, farmers' registration module has been released. In this module, the farmers' registration would be possible at society level. For smooth and effective implementation of the project in the Ashok Nagar district, NIC Ashok Nagar organized a one-day workshop on 15 January 2015.

This time in workshop it is decided that all societies will go through online module for that they have been asked to ensure internet connectivity in societies. In this workshop, all 40 cooperative society managers with data entry operators and officers of food and civil supplies, cooperative bank, NAN and MARKFED with their subordinates participated whereas Mr. S. K. Jain and Mr. Girish Anwekar from NIC Ashoknagar were the faculty.

District Informatics Officer Mr. S. K. Jain explained the technical points and features of the project. He illustrated the flow of data and suggested precautions for the accuracy of data. After that the MIS exhibited on the LCD projector by Mr Girish Anwekar and all menu items were explained one by one to participants, also shown some examples of real data entry and displayed the reports. In the last, the participants raised their technical, procedural, and administrative doubts, which were clarified by NIC team and food and civil supplies officials.
