

Workshop on e-Uparjan 2017-18 Ashoknagar Date-12/01/2017

NIC Ashoknagar Conducted a workshop for eUparjan 2017-18 on 12/01/2017. In this workshop, cooperative society managers with data entry operators and officers of food and civil supplies participated whereas Mr Girish Anwekar (System Analyst) from NIC Ashoknagar was the faculty.

In the beginning the faculty explained the technical points and features of the project. He illustrated the flow of data and suggested precautions for the accuracy of data. After that the MIS exhibited on the LCD projector and all menu items were explained one by one to participants, also shown some examples of real data entry and displayed the reports. User manual is also distributed to all the participants.

In the last, the participants raised their technical, procedural, and administrative doubts, which were clarified by NIC and food and civil supplies officials.
